Board of Directors

Dear Board of Directors:

The Board of Director's Safe School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that your School has had 0 verified acts of harassment, intimidation, and bullying for the second half of the 2016-2017 school year from December 2016 through June 2017.

We appreciate all that you do for your school and will continue to follow Board Policy requirements on reporting.

Denecia Dillard

Principal, Lake Erie Preparatory School
