

Our mission is to prepare students for a college preparatory high school that will ensure success and graduation from a four year college.

2017-2018 Annual Report

College Bound.
Giving Back.
Scholars for Life.

We value high expectations or academics and behavior!

At Lake Erie Preparatory, home of the Falcon's, family comes first! There was a major shift in parental outreach and more frequent touch-points with the surrounding community. We increased our social media presence and overall advertisement (radio, print, billboards). This school year, we will continue this focus as we already have seen an increase in our annual events such as Meet & Greet and Open House, and we are working to increase community involvement. Our standardized test scores reflect that we need a steady increase in the number of students considered to be proficient, so we will work diligently to meet the specific needs of each of these subgroups of our enrolled students and their families.

While there are challenges, we also have some initiatives in place to help accelerate student achievement and to close the gaps in learning. We have afterschool tutoring for grades K-8 for our students who are close to proficient. With our implementation of NWEA MAP testing in reading and math, we are not only preparing our students for other on-line assessments, but also are gathering information that allows us to adapt our instruction to better meet student needs. Another initiative that we continue to develop, and implement is the change in the way we coach our teachers. More frequent classroom observations are completed along with the collection and use of data to support our teachers which leads to meaningful professional dialogue helping us become educators even more focused on individual areas of strength and areas for growth.

Educational Approach:

1. Individualized Learning Plan for all scholars.
2. High expectations for student achievement.
3. Safe and secure learning environment.
4. Integrated technology to advance achievement.
5. Collaborative relationships with parents and community.

Academic Measures:

NWEA MAP—This assessment is taken by all scholars in grades K-8 as a nationally normed reference assessment to have an understanding of how scholars are performing as compared to their peers.

i-Ready—A computer assessment for scholars in grades K-8 in reading and math. Teachers use this data to plan daily instruction and is used daily by all scholars. The scholars test in reading and math and teachers analyze this data, create groups, and differentiate within their classrooms.

DIBELS—Scholars in grades K-2 participate to assess level of literacy skills for each scholar.

ORF (Oral Reading Fluency) - Scholars from grade 2-8 participate using a grade level text that is timed for one minute to see how many words per minute the scholar is able to read.

Diagnostic Screener—Ohio's diagnostic is given to scholars in grades K-3 as a measure of whether or not a scholar is on track in reading, writing, and math.

AIR State Assessment—Scholars in grade 3-8 are tested to assess mastery of Ohio's Learning Standards. The results are used to strengthen future instruction.

Curriculum:

Reading and Math followed Engage New York as our curriculum for all grades K-8. Science utilized Glencoe resources throughout the school year.

School:	
Grades Served	K-8
Instructional Hours	1089.5
Sponsor	Ohio Council of Community Schools
Staff:	
General Education Teachers	9
Special Education Teachers	2.5
Teacher Aides	3.5

Ohio School Report Cards

Category:	What is Measured:	School Grade:
Overall Grade	Schools report information for the Ohio local report card on specific measures within broad categories and receive letter grades in up to 6 components which make up the overall school letter grade.	F
Achievement	Represents whether student performance on state tests met established goals and how they performed overall.	F Performance Index: 45.2
Progress	Looks closely at the growth that all students are making based on their past performances.	F Overall: F Lowest 20%: F
Gap Closing	Shows how well schools are meeting the performance expectations for our most	F
Improving At-Risk K-3 Readers	Looks at how successful the school is at improving at-risk K-3 readers.	C 100% met promotion score

Highlights of 2017-2018

Beyond the classroom, scholars have the opportunity to engage in a wide variety of school-sponsored clubs, sports, and other activities!

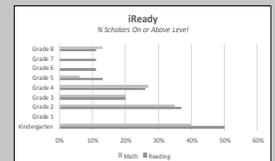

Clubs change based on interest!

Cheerleading!
Football!
Soccer!

Small Class Sizes!

Volleyball!
Track & Cross Country!

Extended School Year and Day!

Ohio Council of Community Schools (OCCS) uses various methods to evaluate the school's performance including published tests and other academic scores such as the Ohio Department of Education Local Report Card and supporting data. OCCS regional representatives visit our partner schools regularly ensuring compliance with federal, state, and contractual requirements. The results of this monitoring for the 2017-2018 school year are published in the 2018 Ohio Council of Community Schools Annual Report, available after November 30 at www.ohioschools.org.
