

**Media Release for Free and Reduced-Price Meals  
Community Eligibility Provision (CEP)**

Lake Erie Preparatory School announced today that it will continue its policy to operate the Community Eligibility Provision (CEP) Program under the National School Lunch Program and School Breakfast Program for the 2019-2020 school year. All schools that operate CEP will serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free/reduced-price, and paid student meals. This new approach reduces burdens for both families and school administrators and helps ensure that students receive nutritious meals.

**FREE HEALTH CARE:** Families with children eligible for school meals may be eligible for FREE health care coverage through Medicaid and/or Ohio's Healthy Start & Healthy Families programs. These programs include coverage for doctor visits, immunizations, physicals, prescriptions, dental, vision, mental health, substance abuse and more. Please call **1-800-324-8680** for more information or to request an application. Information can also be found on the web at <http://jfs.ohio.gov/ohp/consumers/familychild.stm>. Anyone who has an Ohio Medicaid card is already receiving these services.
