

**June 2022
Board of Directors**

Dear Board of Directors:

The Board of Director's Safe School Policy requires that the School Leader provide the School's Board President a semi-annual written summary "limited to the number of verified acts of harassment, intimidation and bullying, whether in the classroom, on school property, to and from school, or at school-sponsored events." Pursuant to this policy, we are reporting via this letter that your School has had 0 verified acts of harassment, intimidation, and bullying for the second half of the 2021-2022 school year from January 2022 – June 2022.

We appreciate all that you do for your school and will continue to follow Board Policy requirements on reporting.
